Event Type: Value Added Course

Event Name: Logical Skill Enrichment

Organizer: Mr. V. Mani AP/CSE

Event Summary:

The value added course on Logical Skill Enrichment was conducted from 24.04.2023 to 29.04.2023

- Developing a critical and logical mindset in students is essential for every step of their lives. Learning these methodologies broaden the perspectives, improves coping mechanisms and shapes young personalities for new-age dynamics.
- The foundation this course for math, computer science, and many other disciplines. Competitive exams such as the science and math Olympiads aim to gauge students' progress in this lifelong skill.
- The skill one obtains over time by thinking and developing logic, judgment, and taking decisions open-mindedly and coherently in the real world.
- It is a form of logical thinking where you may come to a clear and rational response; however, you also question yourself about any assumptions or premises, rather than taking them at face value.

The main objective of the event is:

- The idea behind the initiative is to Encourages Independent Thinking
- To Promotes Creativity and Innovation
- To Enhance Analytical Thinking
- To Make students to the Practical
- To Implements Hands-on Learning Approach
- It helps influence both hard and soft skills, such as technical knowledge and communication.
- To be developed with practice and persistence.
- The process of thinking and drawing conclusions, but that doesn't mean the conclusions are always right.

No. of Response received: 88

Overall rating

1. What did the attendee(s) like about the event?

- Thinking skill is improved
- Knowledge is transferred from one to another person
- Problem solving skill is improved
- Analytical Thinking is enhanced
- Independent Thinking is encouraged
- Creativity and Innovation skill is improved

2. What could have been improved about the event suggested by the attendee(s)?

They have suggested needing of more realtime examples for the particular topics.

Resource Person(s)

1. What did the attendee(s) like about the event?

Students are actively participated and shared the their skill to others

Students involvement is appreciated.

2. What could have been improved about the event suggested by the resource person(s)?

Increase the course duration at least 12 Days for upcoming years

Organizers feedback: (5 points)

Event Highlights (What worked well?)

- Students can improve their Logical solving skill.
- They have shared their skills to others
- Students involvement is very high
- Many Logical problems are solved by the students on time
- Analytical Skill is improved to the students

1. Issues (What problems did the event face?)

Some students are not followed the timing for assembling in the venue

2. Gap Analysis (Kindly do the analysis based on the feedback received from attendee(s), resource person(s) and the organizer(s))

Recommended to the Future Events

Weakness identified	Recommendations
Lagging of logical thinking in problem solving	Continuous problem solving practice is required

Challenges identified	Recommendations
Some of the students are not cooperated in the collaborative learning process	Motivate and tell the importance of collaborative learning process

Opportunities identified	Recommendations
This course provides various placement opportunities to the students	Students needs to understand the importance of logical thnking
