FEEDBACK FROM THE RESOURCE PERSON

1. Feedback our organization and Hospitality

Hospitality is very good.

All faculty members are very
kind & cooperative

2. Feedback about program organized

Event went very well.

Students are asked ^{doubts} to learn
new things.

Performance was very good.

3. Feedback about students participated

Very good student strength.
Students are very eager to learn new things.

4. Suggestion for the department

Need to arrange more events.
Keep current cutting edge technology.

One Page Report

The Department of Computer Science and Engineering in association with Computer Society of India (CSI) conducted a Guest Lecture on the topic of "MACHINE LEARNING" on 17th October 2023 with 132 participants. The Chief Guest Mr.P.PRAVEENKUMAR, Tech lead ,BNY MELLON Technologies, Chennai, delivered very basic and necessary information about Machine learning. The session was more informative about the opportunities for the machine learning in the current situation and the scope for them in future. The lecture also included the skills required for Machine learning, the difference between a Machine learning and an AI, how to learn and practice Machine learning algorithms and its toolkits for developing machine learning applications.

CSI Guest Lecture on “TRENDS IN INDUSTRIAL AUTOMATION”

REPORT

The Guest Lecture on Trends in Industrial Automation has been conducted on 19.11.2022 by Mr.N.Hishore, System Engineer, Vuram Technologies, Chennai. He stated that today’s innovations in industrial automation are largely focused on interconnectivity. Powerful new technologies provide industry professionals with unprecedented abilities to “see” what is happening and respond in real-time. New technology is being developed for training, to bridge the skills gap. Artificial intelligence is improving everything from preventive maintenance to cybersecurity. These advanced technologies rely upon well-designed infrastructure and progressive leadership.

The Industrial Internet of Things (IIoT) refers to the interconnectivity of devices, and it is becoming increasingly relevant in all industries. Advancements in sensors and interconnects enable objects to send communications to users and devices can operate on internet- and GPS-connectivity to inform their behavior. He also discussed about Augmented reality, Virtual reality and Digital twins. He concluded that the technology advancements developed over the past several decades, and they have the personnel and production facilities to keep up with the advancements you want to implement today.

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

FEEDBACK FROM THE RESOURCE PERSON

1. Feedback our organization and Hospitality

- Hospitality given was very good.
- Students interaction was good
- over all Coordination was good.

2. Feedback about program organized

- Organized in Kell Mannar
- Punctuation was good.

IEEE COMMUNICATION SOCIETY

- IEEE STUDENT BRANCH-65101 was established in the year 2000 in M.KumarasamyCollege of Engineering by Dr.K.Sundararaju, Professor and Head, Electrical and electronics engineering, and Student branch counselor.
- Initially it was started with a few students and its growth found to become Second largest membership record at one point of time.
- The IEEE COMMUNICATION SOCIETY was established in the year 2009.
- The biggest milestone was Our Institute ECE department, Iyerabhisekh Ravi, an active editorial member in IEEE received MGA Larry K. Wilson Transnational Award during the year 2017
- Following that IEEE sponsored international conference ICEICE'17 held in 2017 is another highlight of the student branch.
- The IEEE COMMUNICATION SOCIETY organized around 40 events of InterCollege and Intra College meet, Technical workshops, IndustrialSeminars, Alumni Interactions and MAKEATHON contest tonurture the innovative minds of the students in last five years.

Post Event Analysis Report

Date: 28.02.2023

Event Title: Genesis 2023

Date on which the Event conducted: 28.02.2023

Name & Address of the Organizer(s): Department Of ECE, M.Kumarasamy College of Engineering

Participant Feedback:

No. of Response received: 300

Overall rating

1. What did the attendee(s) like about the event?
 - The content delivered was good.
 - Good at interaction with students.
 - He spoke in an approachable language.
 - He gave better and basic lecture about entrepreneurship.
 - He also motivated to choose our career path in entrepreneurship.
2. What could have been improved about the event suggested by the attendee(s)?
 - The microphone's quality was poor.
 - To oversee the participants, there could have been more volunteers.
 - There were not enough seats for some of the attendees.

Resource Person(s)

1. What did the attendee(s) like about the event?

M S Sujith Unni

- The way of approaching and motivating the participants was good.
- He described the opportunities available in entrepreneurship.

Manoj Kumar Krishnan

- He got along with the participants well.
 - He explained his path to this profession.
2. What could have been improved about the event suggested by the resource person(s)?
- Back row viewers couldn't see the presentation.
 - The microphone's quality was poor.

Organizers feedback: (5 points)

Event Highlights (What worked well?)

- Interaction between guests and participants.
- The guests' explanations of life skills.

1. Issues (What problems did the event face?)

- Lack of projection demonstration.
- Insufficient space for attendees.
- To provide better facility in hall arrangements.

2. Gap Analysis (Kindly do the analysis based on the feedback received from attendee(s), resource person(s) and the organizer(s))

Recommendations for Future Events (What didn't work well?)

(Please provide what you feel didn't work out as you'd hoped and would recommend proceeding differently the next time a similar event is hosted.)

Weakness identified	Recommendations
Quality of microphone was poor	Good audio system will be provided for the further events
The presentation was not visible at the back	Good projector and screen will be provided for further events
Arrangements in the conference hall	Seating arrangements

Challenges identified	Recommendations
Seating arrangements	To determine how many members are participating
Volunteers	To assign more volunteers to guide
Certificates	To issue certificates to participants at respective venues

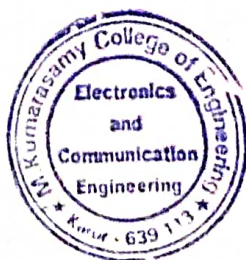

Opportunities identified	Recommendations
PCB Design	Trained with equipments to gain practical experience
Non tech events	To build co - curricular skills
HFSS	Hands on training

Technical Symposium – GENESIS 2023

The National level technical symposium 'Genesis 2023' hosted by the Department of Electronics and communication of Kumarasamy college of Engineering, Thalavapalayam, Karur, was held on Tuesday, the 28th of February 2023.

The chief guest for the inauguration Mr. M.S.SujithUnni, Regional Head of NASSCOM, Kerala shared wonderful words of encouragement with the students about Entrepreneurship. The chief Guest Mr. Manoj Kumar Krishnan, a Software engineer, a you tuber, an editor and influencer shared about his experience in the field of editing in various films.

Genesis 2023 was an amalgamation of various technical, non-technical and on spot events. The technical events organized were Paper presentation, Workshop, Circuithon. The Non-technical events organized were Concept Jam, Technical pick and Talk and Flash Me, Sight on site, Just Imagine, Secret Spot, Mr&Ms.GENESIS. In the end, the valedictory ceremony was held where all the winners were awarded, and the certificates were distributed.

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

Academic Year: 2022 – 2023

Name of the Event: **Eminence Association Inaugural**

Date: **21.10.2022**

Event Report:

In M.Kumarasamy College of Engineering, The Electronics and Communication Engineering Department has conducted Eminence Association Inaugural at Sir.C.V.Raman Hall on 21.10.2022. The chief guest of the function was Dr.T.Ram Prabhu, Scientist and Joint Director, Defence Research and Development Organization (DRDO) Bengaluru. The Faculty members, Secretary, Joint Secretary and Treasurer of IEEE COSMOC, Eminence Association and the third year students of the department has participated in this event. The chief guest explains about the opportunities for ECE students in DRDO and explained about the activities done at the research laboratories. The faculty members discussed about the procedure of getting research fund proposals with chief guest.

Academic Year: 2022 - 2023

Name of the Event: Hands-on Training Creative Ideas in to Mini Projects

Date: 10.09.2022

Event Report:

In M.Kumarasamy College of Engineering, The Electronics and Communication Engineering Department has conducted Hands-on Training on Creative Ideas in to Mini Projects at APJ 203,204 Hall on 10.09.2022. The Master of Resource was GalWin Technology from Trichy. The Second year 'A' and 'B' section students of the department has participated in this event. Totally 126 students have been benefited from this training. They were clearly explained about how to convert creative ideas in to mini projects and given hands on training on PCB design.

Respected Sir,

Sub: National level Workshop-2023 -Permission - Reg

Our IETE student's chapter, Electronics and Communication Engineering department is going to organize the National Level Workshop" on **February 16, 2023**.

I request you to kindly permit us to conduct Workshop.

Objectives of the Workshop

- To acquire knowledge about RF circuits for the academic community in Teaching, Research, and for the Engineering students (UG/PG) who wish to develop a deeper understanding and create custom solutions to problems in their field of RF circuit design.
- The participants can learn about the basics of Electromagnetic fields and how to design a Reconfigurable antenna using HFSS.
- Participants can do projects and publish patent from the acquired knowledge from the workshop..

Expected other state participants : 02

Thanking You

Yours Sincerely

ABOUT THE INSTITUTION

M.Kumarasamy College of Engineering (MKCE) was established in the year 2000. The aim of the Institute is to enrich the present generation's knowledge with the latest developments in various fields of engineering and technology. Our performance has set us a benchmark for other institutions and we have developed a popular name amongst the student fraternity. We have a strong placement cell which has good contacts with industries and provides students with good industrial exposure and job careers. Our Institution offers 9 UG and 6 PG including Management branches.

ABOUT THE DEPARTMENT

The Electronics and Communication Engineering department occupies a prominent place in the annals of its academic history, and it was established in the year 2000. Our students add zeal to the department by their tremendous winning records in real-time project competitions conducted at national level. The department has excellent laboratory facilities with the latest equipment. Our department offers the UG program in Electronics and Communication Engineering and PG programme in Communication Systems.

Research and Development cell has been established by the young faculty team. The role of this Research and Development Division of our Institution is to enhance the Research and Development activities to enable the Institution to become a fostering sponsored education to renowned Intellectual corporation, excellent projects, research, consultancy, development, continuing and Industry Institute Interaction in addition to the excellent teaching.

OBJECTIVE OF THE PROGRAMME

- ❖ This National level workshop helps to acquire knowledge about RF circuits.
- ❖ This workshop is intended for academic community in teaching, research and for the engineering students (UG/PG) who wish to develop a deeper understanding and create custom solutions to problems in their field of RF circuit design.
- ❖ At the end of this programme, the participants can learn about the basics of Electromagnetic fields and how to design an Reconfigurable antenna using HFSS.

WORKSHOP PREAMBLE

- ❖ Fundamental concepts of Electromagnetic fields
- ❖ Overview of Frequency bands and its applications
- ❖ Introduction of RF circuit elements and devices.
- ❖ Design of an Planar Capacitor
- ❖ Design of Loop Inductor
- ❖ PIN Diode modeling using HFSS
- ❖ Reconfigurable antenna design
- ❖ Hands on session using HFSS tool

RESOURCE PERSON

Sessions will be handled by the subject experts from Internal Expert

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

Academic Year 2022-2023

Name of the Event: National Level Workshop on RF Circuit Design Using Electromagnetic Simulator

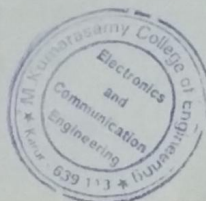

Date: 16.02.2023

Event Report:

In M.Kumarasamy College of Engineering, the Electronics and Communication Engineering Department, IETE student's chapter has conducted a National Level Workshop in the topic "RF Circuit Design Using Electromagnetic Simulator" at DSP Lab on 16.02.2023. The Resource person was Dr.P.Jeyakumar, Assistant Professor, Department of ECE, M.Kumarasamy College of Engineering, Karur. The Participants from intra and inter college has participated in this event. The Resource person explains about the basics of Electromagnetic fields and how to Design a Reconfigurable antenna using HFSS from that students can do projects and publish patent from the acquired knowledge from the workshop.

K. S. Prasad
 Co-ordinator 17/2/23

Dr. S. Palanivel
Dr. S. PALANIVEL, B.A., B.E., M.E., Ph.D.,

Post Event Analysis Report

Event Title: National Level Workshop

Date: 16.02.2023

Date on which the Event conducted: 16.02.2023

Name & Address of the Organizer(s): Department Of ECE, M.Kumarasamy College of Engineering

Participant Feedback:

No. of Response received: 52

Overall rating

1. What did the attendee(s) like about the event?

- The content delivered was good
- Good at interaction with students
- He converse with a comfortable language and gave detailed explanation about the tool
- He gives better and basic lecture about RF circuit design

2. What could have been improved about the event suggested by the attendee(s)?

- They felt that the projector screen was small to view clearly
- Participants feel that the session was too short
- There is insufficient in providing seats for some of the attendees in lab

Resource Person(s)

1. What did the attendee(s) like about the event?

- The way of approaching and clear lecture about RF circuit design
- He explains about the job opportunities for ECE students in core industries
- He also explains about the features of antenna design
- He started his interaction with question tags

2. What could have been improved about the event suggested by the resource person(s)?

- There is a lack of big screen for projection to view clearly
- He felt to have more number of systems
- Audibility is missing in some areas

Organizers feedback: (5 points)

Event Highlights (What worked well?)

- Design antenna on your way
 - Learn about the tool
1. Issues (What problems did the event face?)
 - Lack of projection demonstration
 - Insufficient space for attendees
 - To provide better facility in hall arrangements
 2. Gap Analysis

Recommendations for Future Events

Weakness identified	Recommendations
System Facilities	Need more number of systems
Projection	Need to big screen for a clear view

Challenges identified	Recommendations
RF circuit elements and devices	To learn basics under the topics of RF circuit design
Reconfigurable antenna	To learn about antenna design using HFSS Simulator

Opportunities identified	Recommendations
RF design engineer	To defend initial system design
Antenna design	To build new antenna to transmit and receive electromagnetic waves using electromagnetic simulator

From,

Mr.P.Ramakrishnan

Assistant Professor,

M.Kumarasamy College of Engineering (Autonomous) - Karur

To,

The Principal, (Through HoD/ECE)

M.Kumarasamy College of Engineering, Karur.

Dear Sir/Madam,

Sub: Workshop Food Arrangements - Reg

As I inform you that in our ECE Dept going to Organize the One Day National Level Workshop on 16.02.2023(Thursday) for that, we need to Arrange Lunch to External Participants below Mentioned Food Items.

S.No	Food Menu	No.of Count
1	Veg Briyani+Onion Raitha	60
2	Potato Poriyal	45
3	Curd Rice Pickle	50

Kindly arrange the above Menu to conduct event in successful manner

Thanking you,

Karur,

13.02.2023

Yours Sincerely,

P. Ramakrishnan
(Mr.P.Ramakrishnan)

About the Institution

M.Kumarasamy College of Engineering is an Autonomous Institution, Approved by AICTE, New Delhi and Affiliated to Anna University, Chennai it was established in the year 2000 by M.Kumarasamy Health and Educational Trust with a vision to provide technical education for all the sectors of the society. The institution with its state of the art facilities and dedicated team of faculty members has become a hub of technocrats and is marching towards new frontiers.

About the Department

Electronics and Communication Engineering department occupies a prominent place in the annals of its academic history and it was established in the year 2000. Our students add zeal to the department by their tremendous winning records in real-time project competitions conducted at national level. The department has excellent laboratory facilities with the latest equipments. Our department offers UG programme in Electronics and Communication Engineering and PG programme in Communication Systems.

Course Objective

- To bring awareness about importance of Intellectual Property Rights (IPR) and patent filing.
- To encourage faculty members to file IP for their research, Inventions and Innovative projects
- To enhance abilities of faculty members for conducting meaningful research.

Benefits and Take away

- To convert project and research works into patents
- To get better ranking & class Accreditation for education institution
- To bring long term benefits to the Institutions on par with top class universities
- To attract young minds into the Institution for conducting product based research

Who can attend?

Programme is open to Faculty Members, Research Scholars from Universities and Colleges.

Methodology

The programme will adopt a practical and interactive approach including Group Discussions, Self-learning exercise & case studies. Sessions will be handled by eminent IP experts (technical/legal) connected with the topics of proven track record.

EVENT FEEDBACK REPORT

No. of External Participants : 25
No. of Internal Participants : 43
No. of Colleges Participated : 17

Name of the Colleges :

1. M.Kumarasamy College of Engineering, Karur
2. NPR College of Engineering and Technology
3. Assam don Bosco University
4. Chettinad College of Engineering and Technology, Karur
5. J P College of Engineering
6. Kongunadu College of Engineering and Technology
7. Sathyabama Institute of Science and Technology
8. Solamalai College of Engineering
9. Sri Ranganathar Institute of Engineering and Technology
10. Sri Sai Ram Institute of Technology
11. Theni Kammavar Sangam College of Technology
12. University College of Engineering
13. University College of Engineering, BIT, Campus, Trichy.
14. University of Jammu
15. Velammal College of Engineering and Technology
16. Vels Institute of Science, Technology and Advanced Studies
17. Veltech Multitech Dr Rangarajan Dr Sakunthala Engineering College

No. of state : 03
Name of state : Tamilnadu, Jammu, Assam
No. of districts : 07
Name of districts : Karur, Chennai, Theni, Trichy, Madurai, Coimbatore, Tenkasi

Consolidated External participants' feedback:

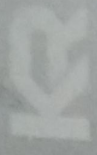

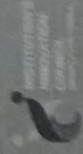

- Better Knowledge oriented research sessions
- Informative and Useful session
- Doubt clarification by the resource person is appreciable.
- Gained more knowledge about the IPR
- Knowledge delivery by the experts is good
- Learned new things that they can apply for their IPR work
- Thanks for sharing your ideas and knowledge

LETTER OF APPRECIATION

We would like to take this opportunity to thank you for conducting the hands-on training on the "Basic Electronics with Mini Project" organized in the Department of Electronics and Communication Engineering in our institution on 10.09.2022. The hands-on training was a grand success and was well appreciated by the students.

The program was intended for the II year ECE Students and was attended by over 240 students in the Laboratory / Classroom. The participants significantly benefited from the hands-on training. The effort taken by the team from **GALWIN TECHNOLOGY** is highly appreciated.

Thank you and we hope that we have a long association with you.

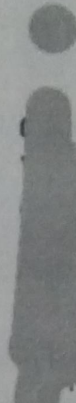

Regards

HANDS ON TRAINING IN BASIC ELECTRONICS WITH MINI PROJECTS

FEEDBACK FORM

The training was aimed to provide a complete knowledge about PCB designing using stimulation tool to test electronics and electrical circuits in software environment and also its fabrication.

Following content are covered in today class:

Power Supply

Automatic Fan ON/OFF

Timer (street light ON/OFF)

Ms. Pooja have co-ordinated and executed PCB design to make it successful to enhance student's skill level. After attending this coaching students expressed about their capability of designing special purpose of PCB of electronics project. This training will be helpful for students for circuit development for further year projects.

Respected Sir,

Sub: One day Seminar Program –Reg

We have planned to Organize One Day Seminar Program for our students in the topic "Timing Analysis of Digital Circuits" on 26.08.2022. The resource Person is Dr.R.Sakthivel, Associate Professor Grade 2, School of Electrical Engineering, Department of Micro & Nanoelectronics, VIT University.

On this regards we are in need of Guest remuneration Rs.10, 000/-, Guest house for refreshing and vehicle on 26.08.2022.

Thanking You

E. Dinesh

**M.KUMARASAMY
COLLEGE OF ENGINEERING**

Approved by AICTE & Affiliated to Anna University
ISO 9001:2015 & ISO 14001:2015 Certified Institution
Thalavayalapuram, Kaveri - 630 113.

ABOUT THE INSTITUTION

M.Kumarasamy College of Engineering was established in the year 2000. The aim of the Institute is to enrich the present generation's knowledge with the latest developments in various fields of engineering and technology. Our performance has put us as a benchmark for other institutions and we have developed a popular name amongst the student fraternity. We have strong placement cell which has good contacts with the industries and provide students with good industrial exposure and job careers. Our Institution offers 9 UG and 4 PG including Management branches.

ABOUT THE DEPARTMENT

Electronics and Communication Engineering department occupies a prominent place in the annals of its academic history and it was established in the year 2000. Our students add zeal to the department by their tremendous winning records in real-time project competitions conducted at national level. The department has excellent laboratory facilities with the latest equipment's. Our department offers UG programme in Electronics and Communication Engineering and PG programme in Communication Systems.

Research and Development cell has been established by the young faculty team. The role of this Research and Development Division of our Institution is to enhance the Research and Development activities to enable the Institution to become a fostering sponsored education renowned Intellectual corporation excellent projects, research, consultancy, development, continuing and Industry Institute Interaction in addition to the excellent teaching.

OBJECTIVE OF THE PROGRAMME

- ❖ This Seminar helps to acquire knowledge about the Digital circuits and its timing parameters.
- ❖ This seminar is intended for academic community in teaching, research and for the engineering students who wish to develop a deeper understanding and create custom solutions to problems in the field of Timing analysis of circuits used in terms of digital platforms.

OUTCOME OF THE PROGRAMME

- ❖ At the end of this programme, the participants can learn about the role of Analysis of time consumption and minimization analysis in digital platform.

SEMINAR PREAMBLE

- ❖ Overview of Fundamentals Digital circuits
- ❖ Various digital devices and its impact
- ❖ Advancements in digital Technology, leads
- ❖ Timing constraints imposed by components or interfaces
- ❖ validating the timing performance of a design
- ❖ Checking all possible paths for timing violations
- ❖ Proper circuit operation can be assured

RESOURCE PERSON

Sessions will be handled by the subject experts from other premier institutions

Vellore.

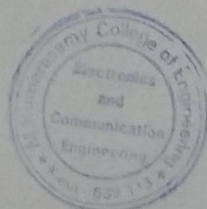

Greetings,

Sub : Invitation as Chief Guest/Resource Person for the One day Seminar – Reg.

Department of Electronics and Communication Engineering of our institution is organizing One day Seminar for our students in the topic **“Timing Analysis of Digital Circuits”** on 26.08.2022. In this regard, we are privileged to invite **Dr.R.Sakthivel, Associate Professor Grade 2, School of Electrical Engineering, Department of Micro & Nanoelectronics, VIT University, Vellore** as the Chief Guest/Resource Person on 26.08.2022. Kindly accept this invitation and depute **Dr.R.Sakthivel** as a resource person to make this program a valuable and informative one.

M.KUMARASAMY COLLEGE OF ENGINEERING, KARUR
Department of Electronics and Communication Engineering
Awareness Programme / Training Programme / Short Term Course
Feedback Form

(Please fill-up the form to help us improve and maintain the quality of programmes)

Name of the Participant (Optional) : S. JAISURYA
Title of Programme / Course attended : TIMING ANALYSIS OF DIGITAL CIRCUITS
Date and Venue : 26/08/2022 - BARATHIYAR HALL
Name of the Resource Person / Speaker : DR. R. SAKTHMEL

(Please ✓ in appropriate box)

- a. How do you feel about the programme / course content?
 Very Good Good Satisfactory Poor
- b. How do you rate the lecture sessions / presentations?
 Very Good Good Satisfactory Poor
- c. How do you rate the practical sessions? (if relevant)
 Very Good Good Satisfactory Poor
- d. How do you rate the interactive sessions? (if relevant)
 Very Good Good Satisfactory Poor
- e. How do you rate the quality of course material given to you? (if relevant)
 Very Good Good Satisfactory Poor
- f. How do you rate the usefulness of programme in improving your skills?
 Very Good Good Satisfactory Poor
- g. To what extent you have improved your knowledge / skills after attending the programme?
 85-95% 75-85% 50-75% 25-50%
- h. How do you rate the timely communication in all aspects of the programme? (if relevant)
 Very Good Good Satisfactory Poor
- i. How do you rate the overall arrangement and conduct of the programme / course?
 Very Good Good Satisfactory Poor
- j. Whether the contents discussed were relevant to the topics planned? Yes / No ✓
- k. Would you like to have another programme by the same Resource person? Yes / No ✓
- l. Name the specific topic or session, which you liked most: *Crates*
- m. Any specific feedback: *To improve the activity section*

Date: 26/8/22
