Report

The MKCE IIC/IEDC/E-Cell of M.Kumarasamy College of Engineering, Karur organized One day Session on "Earth and Vernacular Architecture" through online mode on 16.02.2022.

Dr. N. Ramesh Babu, Principal, M.Kumarasamy College of Engineering, President MKCE IIC, addressed the participants to utilize this wonderful opportunity to sharing ideas about Entrepreneurship development through Problem-Solution Fit & Product-Market Fit.

Dr.P.Vanitha, HOD-MBA, Vice President, MKCE IIC addressed the participants. She encouraged the students towards Entrepreneurship, also she told the importance of this program.

Mrs.R.Aishwarya, Founder, Nilalin Constructions, Karur was the invited speaker for this online session. She shared her experience as a sustainable construction as recent innovation and shared her thought of starting up a firm and also the hurdles she crossed while becoming an entrepreneur in the field of construction. She motivated our students to become an entrepreneur through her experience and the made them realize importance of such entrepreneurs in our engineering society.

Mr.N.P.Srinivasan, Assistant Professor, Civil & IIC, E-Cell and IEDC Department Faculty Coordinator made all the arrangements and coordinated the program. Dr. K.Ramprathap, Assistant Professor, MBA, Convener MKCE IIC and Mr.P.Mukesh, Assistant Professor, Civil has delivered Welcome Address and Vote of Thanks respectively.

Report

The department of Civil Engineering of M.Kumarasamy College of Engineering, Karur organized One day Session on "**Career Prospects of Civil Engineering**" in RK015 on 13.01.2023.

Mr.P.Mukesh, Assistant professor, Civil, M.Kumarasamy College of Engineering, coordinator, addressed the participants to utilize this wonderful opportunity to sharing ideas about Career Prospects of Civil Engineering

Er. Mr.R.Mathimaran (2017-21 civil Alumnus), Jr.site Engineer, VSL India Pvt Ltd, Gujarat was the invited speaker for this alumni interaction session. He shared his past experience as a site engineer. He explained about the careers in civil engineering and Explained about opening after B.E, Civil engineering .he explained about the higher studies after completion B.E and their scopes. He motivated our students to become an successive future civil engineers.

Mr.P.Mukesh. Assistant Professor, Civil Department Faculty Coordinator made all the arrangements and coordinated the program and delivered Welcome Address and Vote of Thanks respectively.

Proposal for Alumni Interaction Programme

01.02.2023
MKCE -Karur

Submitted to the Principal

Proper channel

Subject: Requisition to conduct Alumni Interaction Programme – Regd.

As our Civil Engineering Department is going to organize an Alumni Interaction Programme by Er. VENKATESH A, ^{2019 graduate} Technical Project Coordinator, RC AL MANA - Doha, Qatar on 02.02.2023 in MKCE, Karur. In this connection, I request you to give permission and approval to proceed the same.

Outcome of the Programme

1. To create an awareness about the new innovative business ideas in Civil Engineering field for students
2. To bring the students to uniqueness and novelty to business process
3. To explore the job opportunities in abroad for Civil Engineers

Thank you

Yours truly

Participants : 40 students [III Yr & IV Yr]

VENKATESH. A

Technical Project Coordinator/ Structural Draftman

Mobile:(+97) - 470198892 | Email:avenkateshcivilengineer@gmail.com | Doha, Qatar.

Graduate Structural Engineer, adept in analyzing and producing the technical requirements and specifications & recommending design modifications based on the client's requirements in building residential and commercial structures. To earn a challenging position in the professional atmosphere that gives a thirst for knowledge and provides job satisfaction, while enabling in widening the spectrum of knowledge.

CORESKILLS

- ❖ AutoCAD
- ❖ STAADPro
- ❖ 3ds Max
- ❖ MS Office

PROFESSIONALEXPERIENCE

RC AL MANA - Doha, Qatar.

JAN 2023

TECHNICAL PROJECT COORDINATOR / STRUCTURAL DRAFTMAN

Key Deliverables:

- **Provided design and drafting support** to the engineers, throughout the project phases, in detailed design and drawing generation.
- **Preparing design criteria**, engineering calculations, technical specifications, data sheets and reports, coordination of structural design work.
- Responsible for attending bid meetings, proposal, estimate/ take off, design work, contract documents, and project kick-off.

India Cements Pvt. Ltd. [~6 Months]

[May 2022-OCT 2022]

TECHNICAL ENGINEER

Key Deliverables:

- Ensure product quality through continuous supervision of all production process.
- Continuous coordination with Customer, Plant/ City QC in charge & marketing people for feedback and improvements.
- Ensure that materials are correctly identified and traceable & Ensure assessments and recordings of inspection, control and test results.
- Ensure preparation of QA/QC document for final delivery to customer and check correct implementation and use database/specification sheet for quality control and tracking and record test report.
- Responsible for achievement of the sales target set by the company the new business development and performance of all sales activities related to products in assigned market.

G G Constructions - [Mar 2019-Feb 2022] [~3 years]

[APR 2020-Feb 2022]

GRADUATE STRUCTURAL ENGINEER

Key Deliverables:

- **Provided design and drafting support** to the engineers, throughout the project phases, in detailed design and drawing generation.
- **Preparing design criteria**, engineering calculations, technical specifications, data sheets and reports, coordination of structural design work.
- Responsible for attending bid meetings, proposal, estimate/ take off, design work, contract documents, and project kick-off.
- Primary client contact, construction document review/code requirements, project tracking, construction supervision, and fabrication quality control.
- **Structural drafting and documentation using AutoCAD**, preparation of shop drawings for beams, columns and roofs.

- Preparation of drawings and specifications, contract administration Construction supervision for quality control Projects Design and Analysis of residential and commercial buildings using **Staad Pro**.
- Demonstrates initiative, professionalism and a commitment to quality.

CADENGINEER

[MAR 2019 - APR 2020]

Key Deliverables:

- Contributed suggestions and insights to draft the project, resulting in a **100% success rate** in earlier job completion.
- **Worked directly with clients** to understand challenges and develop appealing solutions.
- During the meeting, my ideas and proposals were presented with updates on deadlines, designs and improvements.
- Examining and **verifying the code books** and planning according to the client demands.

Event Report

The Department of Civil Engineering, M.Kumarasamy College of Engineering, Karur organized Alumni Interaction Programme on “Innovative Business Ideas in Civil Engineering” on 02.02.2023.

Dr.B.S.Murugan, Principal, M.Kumarasamy College of Engineering, addressed the participants to utilize this wonderful opportunity get ideas about Innovative Business Ideas in Civil Engineering through this delighted alumni talk.

Dr.V.Senthilkumar, Head of the Department, Department of Civil Engineering, addressed the speaker to utilize this opportunity to get awareness about the job opportunities in abroad through the alumni talk.

Er.A.Venkatesh, Technical Project Coordinator, RC AL MANA - Doha, Qatar was the invited speaker for this session. He shared his experience innovative ideas through starting up a firm and also mentioned the hurdles he crossed in his field. He motivated our students to know the importance of setting up a start-up and showcased his real time examples. He discussed what are the job opportunities available in abroad especially for Civil Engineers and shared how to prepare for that. Discusse expectations from the HR in abroad.

Outcome of the Programme

1. To create an awareness about the new innovative business ideas in Civil Engineering field for students
2. To bring the students to uniqueness and novelty to business process
3. To explore the job opportunities in abroad for Civil Engineers

Mr.G.Balaji, Assistant Professor (Sr.G), Civil Department Faculty Coordinator made all the arrangements and coordinated the programme.

Post Event Analysis Report

Date: 03.02.2023

Event Title: Alumni Interaction Programme on 'Innovative Business Ideas in Civil Engineering'

Date on which the Event conducted: 02.02.2023.

Name & Address of the Organizer(s): Mr.G.Balaji, Assistant Professor (Sr.G), Department of Civil Engineering.

Participant Feedback:

No. of Response received: 40.

Overall rating

1. What did the attendee(s) like about the event?

- The session is to create the awareness about the Civil job opportunities in Abroad.
- Learnt about the job searching through LinkedIn in Abroad.
- Change the ideas into concept to earn more in Business.
- Uniqueness and novelty to business process.
- Concepts in 'FIRM'.

2. What could have been improved about the event suggested by the attendee(s)?

- Make event arrangements in seminar halls.
- Extend the session timings.
- Added to arrange question and answer interaction session.

Resource Person(s)

1. What did the attendee(s) like about the event?

- Hospitality.
- Food Arrangements.
- Event follow-up by the faculty.
- Faculty Interaction about the event.
- Shared real time problems to students to enrich their knowledge.

2. What could have been improved about the event suggested by the resource person(s)?

- Plan the event in seminar halls to interact more students.
- Do mic arrangements for the event.

Organizers feedback: (5 points)

Event Highlights

- Support and guidance of the HoD.
- Faculty Coordination.
- Response received from the students about the event.
- Content delivery of the resource person.
- Time management of the resource person.

1. Issues (What problems did the event face?)

- Last minute Hall arrangement.

2. Gap Analysis (Kindly do the analysis based on the feedback received from attendee(s), resource person(s) and the organizer(s))

- Plan to show the innovative completed ideas done by the alumni.
- Plan to share the sample portfolio for students to enrich their CV.

Recommendations for Future Events (What didn't work well?)

(Please provide what you feel didn't work out as you'd hoped and would recommend proceeding differently the next time a similar event is hosted.)

Weakness identified	Recommendations
Hall Management	Plan to conduct the event in seminar hall

Challenges identified	Recommendations
Time management	Schedule the event to complete within the stipulated time

Opportunities identified	Recommendations
Job opportunities in abroad	Conduct more programs in this way to aware the students about the job opportunities in abroad
Creative business ideas	Involve the students in EDC to build more TBI to initiate practical based learning
Aware about portfolio	Arrange a training session in the title "how to create portfolio for abroad jobs"

Event Report

The Department of Civil Engineering, M.Kumarasamy College of Engineering, Karur organized MOU cum workshop on “**Vernacular Earth Structure**” on 06.02.2023.

Dr.B.S.Murugan, Principal, M.Kumarasamy College of Engineering, addressed the participants to utilize this wonderful opportunity get awareness and opportunities about vernacular earthen architecture in Civil Engineering through the expert talk.

Dr.V.Senthilkumar, Head of the Department, Department of Civil Engineering, addressed the speaker to utilize this opportunity to get awareness about the job opportunities in vernacular earthen architecture field through the expert talk.

Er.R.Aishwarya, CEO, Anugraha Construction @ Nilalin was the invited speaker for this session. She shared his experience about the vernacular construction through starting up a firm and also mentioned the hurdles he crossed in his field. She motivated our students to know the importance of setting up a start-up and job opportunities showcased his real time examples. She share the detailed explanation about the vernacular construction that include stacking clods, made of a mix of plastic earth, in order to build a monolithic wall.

Outcome of the Programme

1. To create an awareness about the vernacular construction in Civil Engineering field for students
2. To bring the students to uniqueness and novelty to work on the field
3. To explore the job opportunities in vernacular earthen architecture for Civil Engineers

Mr.P.Mukesh, Assistant Professor (Sr.G) and Mr.G.Balaji, Assistant Professor (Sr.G), Civil Department Faculty Coordinator made all the arrangements and coordinated the programme.

Post Event Analysis Report

Date: 10.02.2023

Event Title: Workshop on "Vernacular Earth Structure"

Date on which the Event conducted: 06.02.2023.

Name & Address of the Organizer(s): Mr.P.Mukesh,
Assistant Professor / Civil,
MKCE

Participant Feedback:

No. of Response received: 47.

Overall rating

1. What did the attendee(s) like about the event?
 - Understood the importance of vernacular architecture in Civil Engineering.
 - Need more training hours to know about the core concept.
 - Session is very interactive
 - Received exposure about the field happenings
 - Inspired from the speaker to start a design firm
2. What could have been improved about the event suggested by the attendee(s)?
 - Workshop presentation content can be shared later for future reference
 - Expects more field oriented training
 - Expects more field visits to get exposure
 - Requires more such events to gain knowledge
 - Need more number of interactive sessions with industrial experts

Resource Person(s)

1. What did the attendee(s) like about the event?
 - Students were interactive.
 - Able to see the thrust to learn more about the field things.
 - Interested students can be trained for further to train them at the company.
 - II-year students found difficult to understand the design concepts, as they will studying design courses by V semester only.

2. What could have been improved about the event suggested by the resource person(s)?
 - More hands-on training can be provided for better understanding of the vernacular construction.
 - The workshop will be more effective if the participants were from IV year.

Organizers feedback:

Event Highlights (What worked well?)

- Workshop conducted in offline mode helps the students to understand the concepts clearly.
- Liveliness was observed during the entire session.
- Resource person appreciate the hospitality provided.

1. Issues (What problems did the event face?)
 - Hall arrangement issues arise due to the utilization of our lab for III year placement training
 - Duration of the program was not sufficient for the resource person to cover the entire things.

2. Gap Analysis (Kindly do the analysis based on the feedback received from attendee(s), resource person(s) and the organizer(s))

Duration of the program can be increased with more time for hands on session and if possible, field visits can be arranged as a part of the workshop for better knowledge transfer to the student community.

Recommendations for Future Events (What didn't work well?)

(Please provide what you feel didn't work out as you'd hoped and would recommend proceeding differently the next time a similar event is hosted.)

Weakness identified	Recommendations
Duration of Workshop	Due to time constrain the workshop was planned for one day, in future it may be extended with more hands-on training session
Hall unavailability	Smart classroom with good audio video setup can be created

Challenges identified	Recommendations
Time management	Schedule the event to complete within the stipulated time

Opportunities identified	Recommendations
Internship	Core willing students can be sent for internship
Placement	Placement offers can be obtained based on the performance of students during internship

INDUBALA S V

SALESFORCE RELEASE ENGINEER

4/17, Kudi street, Selur, Namakkal | 6383266878 | indubalaselvaraj@gmail.com

PROFILE SUMMARY

I am an ambitious engineer, interested in a career in salesforce development and salesforce release with a passion for developing innovative web components and manage QA Testing. I am skilled at reading and writing apex code using viable inputs after accurate assessment of conditions besides being well versed in using software tools and IDEs specific to salesforce. I have confident problem-solving abilities to overcome glitches with strategic solutions. I am good at communication and handling clients.

PROFESSIONAL SKILL

Flexibility and attention to detail
Team communication and project planning
Email management

TECHNICAL SKILL

Knowledge of Salesforce Orgs
DevOps and Release activities
Apex Programming
Salesforce UI Design

EDUCATION

Degree and Major

2018-2022

M.Kumarasamy college of engineering, Karur
Bachelor of engineering (Computer science engineering) with
CGPA : 8.9 (First Class with Distinction)

Higher Secondary schooling

2018

CLASS XII-Erode Hindu Kalvi Nilayam
Maths major with a percentage of 91.33

WORK EXPERIENCE

Salesforce Release engineer

June 2022-Present

Cognizant, Bangalore

- Manage salesforce sandboxes and production orgs
- Create users and maintain Objects in Salesforce orgs and do administrative jobs
- Deploy changes by developers from Dev org to Target org and manage release activities.

Software Engineer Intern

Feb 2022-May 2022

Cognizant, Bangalore

- Involve in Salesforce administrative activities
- Ended in the top 10 in Salesforce Buildathon by Nasscom 2022 and won cash prize of Rs.7500 while working as an intern

PROJECTS

- Salesforce Release management for the EURAM region to Merck & Corp since June 2022
 - Mobile price prediction - Machine learning
 - Product Price prediction - Machine learning
 - Intermediate python projects like Blackjack, Flooder, HigerLower, Pong game
-

CERTIFICATIONS

- Salesforce Development Catalyst by NASSCOM
 - 90 Trail badges in Salesforce Trailhead
 - Introduction to Data science and Python basics for Data science by IBM
 - Game development using Pygame - certified by GUVI
 - Effective communication in the workplace by NASSCOM-DEAKIN University
-

Hi,

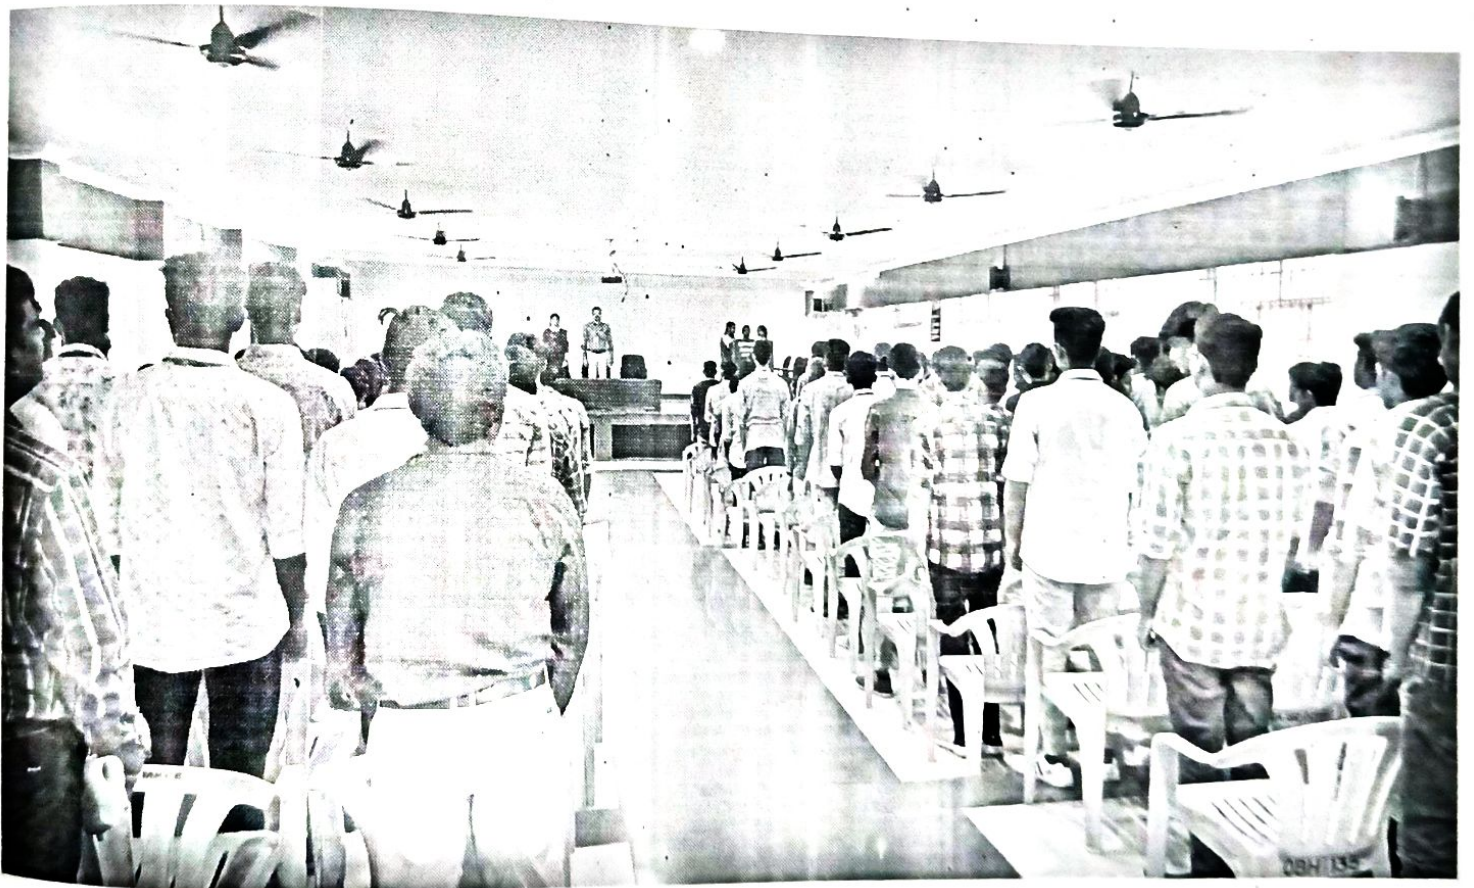

People seemed really happy to listen to new ideas.
They respected me so well with their attention and they were deeply invested in learning.
I wish to give credits to everyone for opening up about their field of interest which I felt so interactive
It was the peaceful, composed experience I had expected.
Thanks to the arrangements, I had proper space and time to listen to them and address thoughtful questions.

Thanks again!😊

DEPARTMENT OF ARTIFICIAL INTELLIGENCE

Date: 30.01.2023

A Report on Alumni Interaction on the topic of "Outline of IT Job Requirement & Promising Career Trends in Salesforce and Devops Release Management"

In order to improve the skill set of students in recent technologies, the department organized alumni interaction program on "Outline of IT Job Requirement & Promising Career Trends in Salesforce and Devops Release Management" for the II and III year AI students on 28.01.2023(Saturday).

Dr.N..M.Saravanakumar, Head of the Department, Artificial Intelligence has addressed the participants and asked them to utilize the session and get benefited. Mr.S.Divesh Iyappan, III Year AI Student, MKCE, has introduced the resource person. The session was delivered by Ms.Indhubala, Salesforce Release Engineer, CTS about the salesforce tools, DevOPs Management, Cloud Packages and Current Technologies. The entire session was lasting about 1 hour followed by the Interaction with students. Finally, the session was concluded by vote of thanks by Ms.Madhūmitra, II Year AI Student.

Post Event Analysis Report

Event Title: "Outline of IT Job Requirement & Promising Career Trends in Salesforce and Devops Release Management"

Date: 04.02.2023

Date on which the Event conducted: 28.01.2023

Name & Address of the Organizer(s): Ms.A.Nithyasri, Assistant Professor,
Department of Artificial Intelligence, MKCE.

Participant Feedback:

No. of Response received: 160

Overall rating

1. What did the attendee(s) like about the event?

Top likes (5 points) : 1. Session Was Very Useful

2. Gain Knowledge about Salesforce

3. Different Problems were faced by the engineers
in their working field

4. Overview about the front-end and back-end
development.

5. Doubts were clearly explained

What could have been improved about the event suggested by the attendee(s)?

Top suggestions (5 points) : 1. Doubts were cleared individually but not in
common forum.

2. Attendees requested for activity-based
interaction.

3. Project based research ideas will be shared in
the future

Resource Person(s)

1. What did the attendee(s) like about the event?

Top likes (5 points) : 1. Students were interactive and asked thoughtful questions

2. Internship offer provided by the company

3. How to communicate with the clients and understand the language?

4. Paid attention towards learning new ideas.

2. What could have been improved about the event suggested by the resource person(s)? Top suggestions (5 points)

1. Mock Interview based interaction if possible.

2. Appreciation letter can be given from the college side.

Organizers feedback: (5 points)

Event Highlights (What worked well?)

(Please list the points about the event that you feel were particularly successful.)

- Student Coordination and Time Management

1. Issues (What problems did the event face?)

(Please list any problems you faced during the event and how you addressed them)

- Students need more silence at the time of feedback session and doubt clearance

2. Gap Analysis (Kindly do the analysis based on the feedback received from attendee(s), resource person(s) and the organizer(s))

Recommendations for Future Events (What didn't work well?)

(Please provide what you feel didn't work out as you'd hoped and would recommend proceeding differently the next time a similar event is hosted.)

Weakness identified	Recommendations
Mic Problem	Need 2 Hand Mic for Interaction

Challenges identified	Recommendations
More Experienced Alumni	Renumeration were expected

Opportunities identified	Recommendations
Salesforce Management	Students can take a Certification or course based on this topic

DEPARTMENT OF COMPUTER SCIENCE AND BUSINESS SYSTEMS

REPORT ON "TECHNOLOGY TRENDS & CAREERS IN ENGINEERING"

Date: 19.07.2023

Department of Computer Science and Business Systems organized the expert session on "Technology Trends & Careers in Engineering" dated 18.07.2023 by 9.00 AM-12.00 PM. Our Head of the Department Mrs.V.Banupriya welcomed the resource person, faculty members and III year CSBS students. She introduced our eminent resource person **Mr.A.Srikanth, Program Manager, TCS, Bangalore.** Our resource person started the session with the knowledge of cracking the questions in placement perspective, he widely spoke about the recent marketing strategies for undertaking business projects. This session is useful for the pre-final year students to uplift and enhance their knowledge towards placements as many as 60 students attended the session and benefited. Finally Ms.Akalya.M from III year CSBS program delivered the vote of thanks and session ended successfully.

Post Event Analysis Report

Date: 19.07.2023

Event Title : Expert Session on Technology trends & careers in Engineering

Date on which the Event conducted : 18.07.2023

Name & Address of the Organizer(s) : Ms.R.Dharani, AP-CSBS ,

Mr.A.Duraimurugan , AP-CSBS

Participant Feedback:

No. of Response received: 60

Overall rating

1. What did the attendee(s) like about the event?
 - The attendee(s) felt that the session was very informative and knowledgable in aspect of cracking interview questions during placement aspects.
 - Resource Persons gave good clarity about each topics in the session on marketing trends for solving real time applications.
2. What could have been improved about the event suggested by the attendee(s)?
 - Full day session can be planned in future.
 - Hands on training on recent topics can be done.

Resource Person(s)

1. What did the attendee(s) like about the event?
 - Resource Person felt that the participants were very interactive during the entire session.
2. What could have been improved about the event suggested by the resource person(s)?

- Resource person also felt to conduct full day session with advanced topics in future.

Organizers feedback: (5 points)

Event Highlights (What worked well?)

(Please list the points about the event that you feel were particularly successful.)

1. Issues (What problems did the event face?)

(Please list any problems you faced during the event and how you addressed them)

-NIL-

2. Gap Analysis (Kindly do the analysis based on the feedback received from attendee(s), resource person(s) and the organizer(s))

Recommendations for Future Events (What didn't work well?)

(Please provide what you feel didn't work out as you'd hoped and would recommend proceeding differently the next time a similar event is hosted.)

Weakness identified	Recommendations
Program can be organized in full day session in future.	Assured to conduct full day session next time.

Challenges identified	Recommendations
NIL	NIL

Opportunities identified	Recommendations
Opportunities identified in the aspects of placement with recent trends and technologies.	NIL

INTERACTION BY AUDIENCE	✓				
FACILITIES IN THE HALL	✓				

OBSERVATIONS:

I learnt about different fields in IT department, mediums ^(online) to learn and practice outside the college, to set specific goals (in a specific field of IT)

SCOPE OF IMPROVEMENT:

I felt motivated. I also wanted to be updated with the current trend in technology. It also motivated me to work harder and think out of box. It reminded me of where I am and the amount of hardwork I need to put in. I also wanted to find in which the field I am interested in.

FACILITIES IN THE HALL	✓				

OBSERVATIONS:

I learnt the risk factors in the IT profession. But the only drawback that I felt is, that the alumni didn't say that when should we start to do the projects, which is the correct year & which project should we prefer like the info is lagging.

SCOPE OF IMPROVEMENT:

My confidence level is improved, when listening the alumni's speech, it inspired me to become an alumni, and one day I will achieve it. Here after I don't hesitate to attend the symposium.

PROGRAM REPORT

Academic Year 2022-2023

Name of the Resource Person: Sasikumar T, Software development Engineer 2, Yellow.ai,

Title: MongoDB and Redux

Date: 17.11.2022

No. of students Participated: 116

Topics to be Discussed:

- What MongoDB used for?
- Is MongoDB better than SQL?
- Which language is best for MongoDB?
- Which SQL use MongoDB?
- Why MongoDB is so popular?
- What language is MongoDB?
- Learning by Examples
- What is a Redux?
- What is React VS Redux?
- Why is Redux used?

How Important Japanese Is ! Feedback - Suryakumar

2 messages

Fri, Mar 17, 2023 at 8:21 PM

Suryakumar S <suryacse2213@gmail.com>
To: selvarathic.cse@mkce.ac.in

Hi Mam,

From Student to Alumni.

Hereby I would like to provide a feedback about the Google meet happened between myself and 2nd year CSE students.

First of all I would like to thank Murugesan Sir, Selvarathi Mam and all other staffs and whole CSE department of MKCE for giving me so much awesome memories while I was a student and for making me as who I am today and providing me this opportunity to represent myself to deliver a speech for our department students today 17.03.2023 about How important learning Japanese is.

I hope if this meet will make students to consider on joining the Japanese class.

Thanks Selvarathi Mam for facilitating the meeting in smooth way without any interruption. Because of students cooperation the whole meeting was went very well.

Best Regards
Suryakumar.S

Post Event Analysis Report

Date: 23.03.2023

Event Title: Alumni Interaction Programme: Metaversa(VR)

Date on which the Event conducted: 17.03.2023

Name & Address of the Organizer(s): Mrs.C.Selvarathi, AP/CSE, M.Kumarasamy
College of Engineering, Karur

Participant Feedback:

No. of Responsc received:78

Overall rating

1. What did the attendee(s) like about the event?
Usefulness of the Japanese class
The concepts were clearly taken
2. What could have been improved about the event suggested by the attendee(s)?
No of Hours should be increased

Resource Person(s)

1. What did the attendee(s) like about the event?
Good Interaction among the students
students cooperation the whole meeting was went very well.
2. What could have been improved about the event suggested by the resource person(s)?

Organizers feedback: (5 points)

Event Highlights (What worked well?)

(Please list the points about the event that you feel were particularly successful.)

1. Issues (What problems did the event face?)

(Please list any problems you faced during the event and how you addressed them)

Nil

2. Gap Analysis (Kindly do the analysis based on the feedback received from attendee(s), resource person(s) and the organizer(s))

Recommendations for Future Events (What didn't work well?)

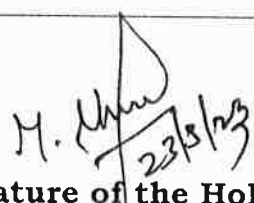

(Please provide what you feel didn't work out as you'd hoped and would recommend proceeding differently the next time a similar event is hosted.)

Weakness identified	Recommendations
Evening time not comfortable for resource person because the japan time not matched with India Time.	Planned to conduct the programme working time
More number of failure in N5 class	Motivated the students to clear the N5 classes.

Challenges identified	Recommendations
Expecting new students to join the Japanese course	Motivate the students to join Japanese class and its uses in Japan and other country also.
Those are failed in N5 they will pass	Planned to conduct the revision class for failed students.

Opportunities identified	Recommendations
New dimension for Job Opportunity due to Japanese course	Provide the importance and job opportunities of Japanese class

Name of the Event: Alumni Interaction Program

Event Date: 28.02.2023

Day: Tuesday

Event report

In M.Kumarasamy College of Engineering. The Electronics and Communication Engineering Department has conducted an Alumni Interaction Programme at Sir C V Raman Hall on 28.02.2023. The chief guest for the Interaction was our Alumni M S SUJITH UNNI, (2005–Passedout/ECE), National Association of Software & Services Companies, (NASSCOM), Regional Head-Kerala. He interacted with the ECE students of the department and explained about the Job Opportunity in Networking domain, benefits of entrepreneurship and its importance. How to improve our self and importance of placement training. He had given lot of idea about interviews preparation and work progress.

Post Event Analysis Report

Date: 28.02.2023

Event Title: Alumni Interaction Program

Date on which the Event conducted: 28.02.2023

Name & Address of the Organizer(s): Dept of ECE & M.Kumarasamy College of Engineering, Karur.

Participant Feedback:

No. of Response received: ~~150~~ 211,

Overall rating

1. What did the attendee(s) like about the event?
 - ❖ Students can understand how to interpolate technical knowledge and individual talent.
 - ❖ Students can come to know the statistics about job opportunities of Artificial Intelligence and Data science.
 - ❖ Students got few ideas about how to become an entrepreneur in Technical field.
 - ❖ Students understand about the benefits of Startup
 - ❖ To Aware about the how to initiate the startup process
2. What could have been improved about the event suggested by the attendee(s)?
 - ❖ Projector and microphones should be advanced one.
 - ❖ Need to Improve Audio facilities.
 - ❖ Need to Improve the Hall arrangements
 - ❖ Need more interaction to audience side.

Resource Person(s)

1. What did the attendee(s) like about the event?
 - ❖ To know about the opportunities in IT domain.
 - ❖ They interacted to learn more about how to present themselves in front of top level people.
 - ❖ They learned more about importance of Startup and its benefits.
 - ❖ They get to know how to handle stresses in job.
 - ❖ To know about the opportunities and benefits startup.
2. What could have been improved about the event suggested by the resource person(s)?
 - ❖ There is a lack of visual presentation
 - ❖ He might interact with both the genders equally

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

Academic Year 2022-2023

Name of the Event: Alumni Interaction for Japanese Students

Date: 01.03.2023

Event Report:

On March 01, 2023, the electronics and communication engineering department at M.Kumarasamy College of Engineering hosted a virtual alumni interaction program. The chief guest for interaction was our alumni, Mr.Aravinth Baskar, from the 2020 pass out batch, who is working as a Strategic Planner at Rakuten in Japan. He interacted with Japanese-learning students and explained the importance of the Japanese language course. He clarified the students queries and delivered ideas regarding the job opportunities for Japanese-learning students.

Post Event Analysis Report

Event Title: Alumni Interaction Program

Date: 01.03.2023

Date on which the Event conducted: 01.03.2023

Name & Address of the Organizer(s): Department Of ECE, M.Kumarasamy College of Engineering

Participant Feedback:

No. of Response received: 52

Overall rating

1. What did the attendee(s) like about the event?

- The content delivered was good.
- Good at interaction with students.
- He conversed with a comfortable language
- Got clear idea to face the Japanese exam.
- He motivated all the students about the benefits of Japanese language.

2. What could have been improved about the event suggested by the attendee(s)?

- The audio was erroneous sometimes.

Resource Person(s)

1. What did the attendee(s) like about the event?

- He started his interaction with question tags.
- The speaker has given a clear picture about Japanese language.
- Rendered good interaction with students.
- The students came to know the importance of Japanese very well right now with his expertise.

- He motivated students about the benefits of Japanese language.
2. What could have been improved about the event suggested by the resource person(s)?
- Interaction of students was poor
 - Network issues to be improved

Organizers feedback: (5 points)

Event Highlights (What worked well?)

- Important of Japanese language course
 - Japanese examination
 - Job opportunities through Japanese certificate
1. Issues (What problems did the event face?)
- Lack of projection demonstration
2. Gap Analysis (Kindly do the analysis based on the feedback received from attendee(s), resource person(s) and the organizer(s))

Recommendations for Future Events (What didn't work well?)

(Please provide what you feel didn't work out as you'd hoped and would recommend proceeding differently the next time a similar event is hosted.)

Weakness identified	Recommendations
Audib issues	Recommended to improve network related issues.
Lack of projection	

Challenges identified	Recommendations
Connectivity issues	Recommended for proper network connectivity.

Opportunities identified	Recommendations
Job opportunities through Japanese certificate	Aim for highly paid opportunities.

Event report

In M.Kumarasamy College of Engineering. The Electronics and Communication Engineering Department has conducted an Alumni Interaction Programme at APJ 211 hall on 25.02.2023. The chief guest for the interaction was our Alumni Mr.G.Saravanan (2012 - Passed Out/ECE), Cyber Security Specialist, Team Head, Wipro Technologies, Chennai. He interacted with the Prefinal year ECE "C & D" section students of the department and explained about the Job Opportunity in Networking domain and how to improve our self and importance of placement training. He had given lot of idea about interviews preparation and work progress in Networking domain..

Post Event Analysis Report

Date: 25.02.2023

Event Title: Alumni Interaction Program

Date on which the Event conducted: 25.02.2023

Name & Address of the Organizer(s): Dept of ECE & M.Kumarasamy College of Engineering, Karur.

Participant Feedback:

No. of Response received: 108

Overall rating

1. What did the attendee(s) like about the event?
 1. Students understand the mindset of Hiring Manager from his experience.
 2. To aware about in job opportunity in IT domain sectors.
 3. Students aware about the work progress and opportunity in Software Field.
 4. Students understand about the how to learn and improve them self in IT Sector.
 5. Students learned about the importance of Placement training and projects.
2. What could have been improved about the event suggested by the attendee(s)?
 1. Need to Conduct Mock Interview in semester once.
 2. Need clear agenda about the event
 3. Strictly follow the timing (He extended time 10 min extra in lunch time)
 4. He didn't gave much importance to last bench students.
 5. He asked suddenly too few students self intro (Mock Interview)

Resource Person(s)

1. What did the attendee(s) like about the event?
 1. They are interested to know about the best domain in IT sectors.
 2. They interacted to learn more about how to present themselves in front of Top level people.
 3. To know about the opportunities in network domain.
 4. They learned more about importance of Networking and Cyber security.
 5. They get to know how to handle stresses in job.

2. What could have been improved about the event suggested by the resource person(s)?
 1. There is a lack of visual presentation
 2. He might interact with both the genders equally

Organizers feedback: (5 points)

Event Highlights (What worked well?)

- Importance of Project selection
- How to easily understand Programming language and its implementations.

1. Issues (What problems did the event face?)

- Time Management
- Need to conduct Mock interview in future

1. Gap Analysis (Kindly do the analysis based on the feedback received from attendee(s), resource person(s) and the organizer(s))

Recommendations for Future Events (What didn't work well?)

(Please provide what you feel didn't work out as you'd hoped and would recommend proceeding differently the next time a similar event is hosted.)

Weakness identified	Recommendations
Programming Skills	To Conduct Contest through SDC
Communication Skills	To Develop Communication Skills through Presentation skills

Challenges identified	Recommendations
Network analytics	To learn basics under the topics of network computing and its domain
Wireless and mobility	To learn about outdoor and industrial access controllers

Opportunities identified	Recommendations
Internet of things	To join the transformation and to improve outcomes in any industry by connecting device
Networking domain	To build software skills and to create new cutting edge innovations
IT domain	To choose a IT domain it's like (CCNA,SQL etc...)

Name of the Event: Alumni Interaction Program

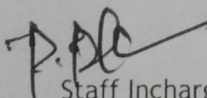

Event Date: 23.02.2023

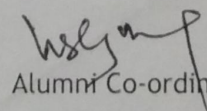

Day: Thursday

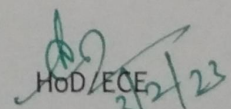

Event report

In M.Kumarasamy College of Engineering. The Electronics and Communication Engineering Department has conducted an Alumni Interaction Programme at APJ 209 hall on 23.02.2023. The chief guest for the Interaction was our Alumni Mr.R.Muthukumar, (2010 - Passed Out/ECE), Software Engineer, senior application lead, Bank of America, Chennai. He interacted with the Prefinal year ECE "A" section students of the department and explained about the Job Opportunity in IT Sector and how to improve our self and importance of placement training. He had given lot of idea about interviews preparation.

Post Event Analysis Report

Date: 23.02.2023

Event Title: Alumni Interaction Program & Job Opportunity in IT Sector

Date on which the Event conducted: 23.02.2023

Name & Address of the Organizer(s): Dept of ECE, M.Kumarasamy College of Engineering (Autonomous) - Karur

Participant Feedback:

No. of Response received: 54

Overall rating

1. What did the attendee(s) like about the event?
 1. He had given lot of information about IT sector.
 2. He an interacted with students friendly manner.
 3. He delivered an information a comfortable language
 4. He motivated to choose our career path correct way from beginning onwards.
 5. He had given lot of idea about Job Opportunity in IT Sector.
2. What could have been improved about the event suggested by the attendee(s)?
 1. Need Clear agenda about Event.
 2. He asked suddenly to students self intro (Mock Interview)
 3. He didn't gave much importance to girls side
 4. They didn't provide the refreshment.
 5. Strictly follow the timing (He extended time 10 min extra in lunch time)

Resource Person(s)

1. What did the attendee(s) like about the event?
 1. He explained about the job opportunities in IT Sector.
 2. He thought some applications in the field of IT domain.
 3. He shared their experience and how to improve our profile.
 4. He started his interaction with question tags and how to develop our self.
 5. He shared him own experience and importance of language courses.
(Be strong in anyone domain)

2. What could have been improved about the event suggested by the resource person(s)?

1. There is a lack of visual presentation.
2. He might interact with both the genders equally

Organizers feedback: (5 points)

Event Highlights (What worked well?)

- Implement cloud on your way
- He explained in Networking projects
- Protect users devices and your network and make security a priority

1. Issues (What problems did the event face?)

1. Time Management
2. Need to conduct Mock interview in future
3. To provide better facility in hall arrangements

2. Gap Analysis (Kindly do the analysis based on the feedback received from attendee(s), resource person(s) and the organizer(s))

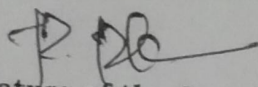

Recommendations for Future Events (What didn't work well?)

(Please provide what you feel didn't work out as you'd hoped and would recommend proceeding differently the next time a similar event is hosted.)

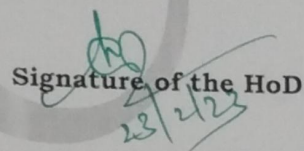

Weakness identified	Recommendations
Hospitality	Refreshment will be provided for the further events
Need Clear agenda about the event	In Next meeting will share to students group
Communication regarding the conference	Need to interact with both genders

Challenges identified	Recommendations
Network analytics	To learn basics under the topics of network computing and its domain
Wireless and mobility	To learn about outdoor and industrial access controllers
Network security	To gain knowledge about secure firewall

Opportunities identified	Recommendations
Internet of things	To join the transformation and to improve outcomes in any industry by connecting device
Networking domain	To build software skills and to create new cutting edge innovations
IT domain	To choose a IT domain it's like (CCNA,SQL etc...)

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

Academic Year: 2022 – 2023

Name of the Event: Alumni Interaction

Date: 28.1.2023

Event Report:

In M.Kumarasamy College of Engineering, The Electronics and Communication Engineering Department has conducted an Alumni Interaction Programme at Sir.C.V.Raman Hall on 28.1.2023. The chief guest for the Interaction was our Alumni Mr.B.Maheshwarasamy, from 2014 Passout batch who is working as Senior Consultant in Caggenini at Bengaluru. He interacted with the Second year 'A' and 'B' section students of the department and explains about the opportunities for ECE students in IT Sector. He gives idea about Data Security and Cloud Computing technology to the students and explains about the expectations of IT industry from the fresh graduates.

Post Event Analysis Report

Date: 28.01.2023

Event Title: ALUMNI INTERACTION

Date on which the Event conducted :28.01.2023

Name & Address of the Organizer(s): DEPT OF ECE, M.KUMARASAMY COLLEGE OF ENGINEERING

Participant Feedback:

No. of Response received: 131

Overall rating

1. What did the attendee(s) like about the event?

The session was completely based on the data security and cloud computing.

This made us to know about the cloud computing concepts.

The speaker was very engaging.

This event explained about the opportunities for ECE in IT sectors.

This made us to know about the expectations of IT sector.

2. What could have been improved about the event suggested by the attendee(s)?

Infrastructure can be improved.

Prior information about the event could have been given to the students.

It is better to have a Doubt clearing session

Need refreshment for the alumni.

Lack of seating arrangements.

Resource Person(s)

1. What did the attendee(s) like about the event

- Students are approachable.
- They are attentive throughout the session.
- Everyone in the session had a basic knowledge about the cloud computing, which made me easier to give further details about cloud computing.
- The organizers had arranged all the requirements for the session.
- The students were good at managing time.

2. What could have been improved about the event suggested by the resource person(s)?

- Conducting Collaborative sessions on cloud computing is essential for students.
- Infrastructure could have been improved.
- Audio system can be improved.

- Students could be trained on data security modules.
- Plan presentation techniques.

Organizers feedback: (5 points)

Event Highlights

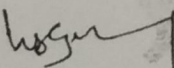

- Very Interactive.
 - More informative.
 - As expected, students got awareness about IT sectors.
1. Issues
 2. Lack of infrastructure.
There is no proper audio systems.
 3. Gap Analysis

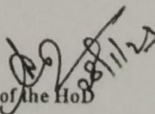

Recommendations for Future Events

Weakness identified	Recommendations
Communication regarding the conference	Need to improve the interaction between both genders
Food and hospitality	Refreshments can be provided
Arrangements in the conference hall	Improving the seating arrangements

Challenges identified	Recommendations
Data and Artificial intelligence	Expertise on machine learning
Cloud	Threat monitoring and automated security testing
Enterprise management	Avoidance, reduction, transference, acceptance

Opportunities identified	Recommendations
Cybersecurity	AV software tool
Cloud architect	Identity access management and encryption
Software engineer	Google app engine, Azure, AWS

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

Academic Year: 2022 – 2023

Name of the Event : Alumni Interaction

Date :28.1.2023

Event Report:

In M.Kumarasamy College of Engineering, The Electronics and Communication Engineering Department has conducted an Alumni Interaction Programme at Bharathiyar Hall on 28.1.2023. The chief guest for the Interaction was our Alumni Mr.E.Sundaravignesh from 2018 Passout batch who is working as PnP Engineer at Intel corporation, Bengaluru. He interacted with the Second year 'C' and 'D' section students of the department and explains about the power and performance validation / optimization. The usage of operating systems and explains about the products of Intel and the job opportunities for ECE students.

Post Event Analysis Report

Date: 28.01.2023

Event Title: Alumni Interaction

Date on which the Event conducted: 28.01.2023

Name & Address of the Organizer(s): Department of ECE, M Kumarasamy College Of Engineering

Participant Feedback:

No. of Response received: 20

Overall rating

1. What did the attendee(s) like about the event?

Top likes (5 points)

- In this event we known about the usage of operating system
- Then, we have an idea about the product of Intel
- We got a clear view and the job opportunities for the students in the field of ECE
- The content delivered was good and we learnt a lot
- The way of approaching the student is too good

2. What could have been improved about the event suggested by the attendee(s)?

Top suggestions (5 points)

- Refreshment was not given to the students.
- Infrastructure need to be improved
- There is an expectation of projection, but not provided
- In the future, Speaker cannot tell us what will be the scope
- Lack of seating arrangement

Resource Person(s)

1. What did the attendee(s) like about the event?

Top likes (5 points)

- It is about the way of interaction
- He interacted about the power and performance validation and optimization
- He explained the product of Intel and the job opportunities
- We expect these type of interaction twice per semester
- It is more useful for our placements to get some ideas about the company

2. What could have been improved about the event suggested by the resource person(s)?

Top suggestions (5 points)

- Interaction of students was poor
- Students strength was too high so there is no proper interaction with student
- Audio need to be improved

Organizers feedback: (5 points)

Event Highlights (What worked well?)

(Please list the points about the event that you feel were particularly successful.)

- New volatile Memory Solution
- Cloud computing
- Scalable process

1. Issues (What problems did the event face?)

(Please list any problems you faced during the event and how you addressed them)

- Lack of projection demonstration
- Insufficient space for attendees
- To provide better facility in hall arrangements

2. Gap Analysis (Kindly do the analysis based on the feedback received from attendee(s), resource person(s) and the organizer(s))

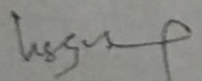

Recommendations for Future Events (What didn't work well?)

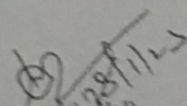

(Please provide what you feel didn't work out as you'd hoped and would recommend proceeding differently the next time a similar event is hosted.)

Weakness identified	Recommendations
Communication regarding the conference	Refreshment will be provided for the further events
Hospitality and food	Refreshments will be provided for the further events
Arrangements in the conference	Seating arrangements

Challenges identified	Recommendations
Chip set	To learn the basics of server embedded system
Processor	To learn about basic IOT and embedded processor
FPGA and Programmable devices	To learn about the accelerations boards and platforms

Opportunities identified	Recommendations
Business diversification	For Intel to improve its performance and to develop semiconductor products.
Product development for mobile market	To target new segments in the household appliances.
Flexibility of processors	To wide their intensive growth strategies

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

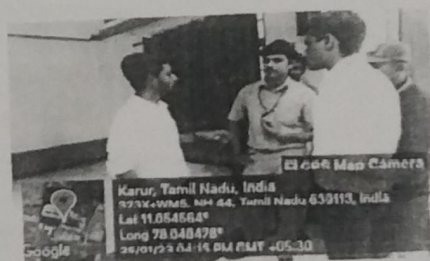

Academic Year: 2022 – 2023

Name of the Event: Guest Lecture on Opportunities in Networking World and Cyber Security

Date: 25.01.2023

Event Report:

In M.Kumarasamy College of Engineering, The Electronics and Communication Engineering Department, Eminence Association and IEEE Comsoc has conducted a Guest Lecture in the topic "Opportunities in Networking World and Cyber Security" at Bharathiyar Hall on 25.01.2023. The chief guest of the function was Mr J Manikandan, Security Consulting Engineer, CISCO at Bengaluru. The third year 'A' and 'B' section students of the department has participated in this event. The chief guest explains about the opportunities for FCE students in Networking domain and also explains about the types in cyber security and the key features in cyber attacks, principles of cyber security. He also explains about the concepts of OSI Layer model with regards to the cyber security and the measures need to have a secure networking platform. IP Protocols and its usage.

ECE Alumni Interaction Programme 13.01.2023

Organizers feedback: (8 points)

Event Highlights

- Implement cloud on your way
- Cisco ITH solution
- Protect users devices and your network and make security a priority

1. Issues

- Lack of projection demonstration
- Insufficient space for attendees
- To provide better facility in hall arrangements

2. Gap Analysis

Recommendations for Future Events

Weakness identified	Recommendations
Hospitality and food	Refreshment will be provided for the further events
Communication regarding the conference	Need to interact with both genders
Arrangements in the conference hall	Seating arrangements

Challenges identified	Recommendations
Network analytics	To learn basics under the topics of network computing
Wireless and mobility	To learn about outdoor and industrial access controllers
Security	To gain knowledge about secure firewall

Opportunities identified	Recommendations
Cyber security	To defend organizations network
Infrastructure automation	To build software skills and to create new cutting edge innovations
Internet of things	To join the transformation and to improve outcomes in any industry by connecting devices

Post Event Analysis Report

Date: 25.01.2023

Event Title: Guest lecture

Date on which the Event conducted: 25.01.2023

Name & Address of the Organizer(s): Department OfECE, M.Kumarasamy College of Engineering

Participant Feedback:

No. of Response received: 30

Overall rating

1. What did the attendee(s) like about the event?
 - The content delivered was good
 - Good at interaction with students
 - He converse with a comfortable language
 - He gives better and basic lecture about cyber security
 - He also motivated to choose our career path in core field
2. What could have been improved about the event suggested by the attendee(s)?
 - He doesn't make an eye contact with everyone
 - He didn't gave much importance to girls side
 - They didn't provide the refreshment
 - There is a lack of infrastructure
 - There is insufficient in providing seats for some of the attendees

Resource Person(s)

1. What did the attendee(s) like about the event?
 - The way of approaching and clear lecture about cyber security
 - He explains about the job opportunities for ECE students in software security, Network security surveillance.
 - He thought some applications in the field of protecting critical systems
 - He also explains about the features of IP protocols
 - He started his interaction with question tags
2. What could have been improved about the event suggested by the resource person(s)?
 - There is a lack of visual presentation
 - He might interact with both the genders equally

Alumni interaction Program Report

Topic: Persistence, the way to success

Venue : APJ-220 Hall

Date:11-02-2023

This program is organized by alumni interaction program coordinator. One of our Alumnus Mr. M. Krishnamoorthy working as software Engineer in Cognizant Technology Solutions, Coimbatore delivered the one hour session from 10:00am to 11:00am. The event is conducted for second year (2021-2025 batch) students, in APJ-220 Hall. Welcome address and introduction about the alumnus is given by Mr.PL.Somasundaram,AP/EEE. The resource person delivered the speech on the topic "**Persistence, the way to success**".

The resource person asked the students to ask few question whatever the doubts or clarification to be addressed during this session. Many students rises their questions related about IT industry, lay-off, How to develop programming skills? How to enhance their coding Knowledge / learning methodology? And so on. He cleared the doubts, given guidelines to improve their programming skills, suggested few YouTube links to improve their learning and programming skills. He shared his experience how to work in a team? How to become team leader? How to lead a team? He concluded his speech with the importance of Presentation day. After completion of his speech. Few students given feedback. Student Representative conveyed the vote of thanks and memento given to Alumnus at the end of the session.

Post Event Analysis Report

Date: 13-02-2023

Event Title: Alumni interaction Program

Date on which the Event conducted: 11-02-2023

Name & Address of the Organizer(s): PL.Somasundaram .

Participant Feedback:

No. of Response received: 5 samples collected

Overall rating

1. What did the attendee(s) like about the event?
 - They are interested to attend this kind of program.
 - They are getting exposure about, what is the current scenario in IT field?
 - They are eager to ask their basic doubts about the opportunities in this sector.
 - They can get clear idea about IT sector through this Program.
 - Students understand that, how to learn programming Language.
2. What could have been improved about the event suggested by the attendee(s)?
 - Timing may be increased from one hour to half day.
 - More number of programs to be conducted like this.
 - Frequency of conduction of Alumni interaction may be useful for them.

Resource Person(s)

1. What did the attendee(s) like about the event?
 - He is eager to interact^{ive} with his juniors.
 - He likes to engage this kind session.
 - He encouraged the faculty members to conduct this kind of interactive programs.

Challenges identified	Recommendations
LCD Projector is placed at the right end of the class. If it is placed at the center of the class means it will be effective. Screen is required for projection.	Informed to concern in-charge

Opportunities identified	Recommendations
Students got an idea how to learn programming language. This will be useful for them to enhance their coding skills.	-

Alumni interaction Program Report

Topic: Importance of Japanese language

Platform: Google Meet

Date: 08-03-2023

This program is organized by alumni interaction program coordinator. One of our Alumnus Ms. Parameshwari Natarajan working as Application Developer in Fujitsu Limited, Japan, delivered the one hour session on 4-3-2023 from 10:00am to 11:00am. The event is conducted for the EEE students those who are learning Japanese language. Welcome address and introduction about the alumnus is given by Mr.PL.Somasundaram, AP/EEE. The resource person delivered the speech on the topic "Importance of Japanese Language".

The resource person shared her experiences, how she prepared for Japanese language examinations?, how she improved her communication skills in this language?. How she got opportunity in her organization?, How she faced the interview in Japanese language?, What are all the expectations of HR in the interview process?. She clarified the doubts raised by the students. After, completion of her speech. Few students gave feedback. Student Representative conveyed the vote of thanks.

Post Event Analysis Report

Date: 08-03-2023

Event Title: Alumni interaction Program

Date on which the Event conducted: 04-03-2023

Name & Address of the Organizer(s): PL.Somasundaram. AP/EEE.

Participant Feedback:

No. of Response received: 5 samples collected

Overall rating

1. What did the attendee(s) like about the event?

- They are interested to attend this kind of program.
- They are getting exposure about the importance of Japanese language
- They are eager to ask their doubts related to job opportunities for studying Japanese language.
- They can get clear idea about job openings for engineers in Japan.
- Students understand that, how to apply for the jobs after getting N5,N4 level certifications in Japanese language.

2. What could have been improved about the event suggested by the attendee(s)?

- More number of programs to be conducted like this.
- Frequency of conduction of Alumni interaction may be useful for them.

Resource Person(s)

1. What did the attendee(s) like about the event?

- She has given some tips to the students how to improve their Japanese language communication skills.
- She has given some tips to the students how to attend interviews in Japanese language.

- She is eager to interact with his juniors.
 - She likes to engage this kind session.
 - She encouraged the faculty members to conduct this kind of interactive programs.
2. What could have been improved about the event suggested by the resource person(s)?
- As an Alumnus of our institution, he asked the faculty members to increase the frequency of conduction of this kind of events.
 - As a stakeholder, she has given some valuable inputs related to job opportunities after clearing N5, N4 level examinations .
 - She shared few official website links to the students to get idea about opportunities for engineers in Japan.

Organizers feedback: (5 points)

Event Highlights (What worked well?)

- The students interacted well with the Alumnus.
1. Issues (What problems did the event face?)
- No issues
2. Gap Analysis (Kindly do the analysis based on the feedback received from attendee(s), resource person(s) and the organizer(s))
- Time span of the interaction may be increased from one hour to maximum of two hours.
 - Frequency of conduction can be considered to more numbers

Recommendations for Future Events (What didn't work well?)

- Program conduction time may be increased to more hours.

Weakness identified	Recommendations
Event conducted in On line, some network issues for students.	Trying to conduct in off line mode

Challenges identified	Recommendations
Few students repeatedly interacted	We have to Motivate them to ask quires.

with the alumnus, Many of them not even raised their hands for her questions.	
---	--

Opportunities identified	Recommendations
Students got an idea about the job opportunities for Japanese language certified candidates. This will be useful for them.	-

Alumni interaction Program Report

Topic: Opportunities in the Global Market

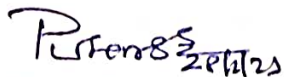

Platform: Google Meet

Date: 25-02-2023

This program is organized by alumni interaction program coordinator. One of our Alumnus Mr. N.Veeran Hari Balu working as senior consultant in Paypal India Pvt. Ltd, Chennai delivered the one hour session on 25-02-2023 from 02:00pm to 03:00pm. The event is conducted for second year (2021-2025 batch) students. Welcome address and introduction about the alumnus is given by Mr.PL.Somasundaram, AP/EEE. The resource person delivered the speech on the topic "Opportunities in the Global Market".

The resource person asked a few questions students what is your ambition, and in which field do you wish to work? He listed out the opportunities in Indian Army, Navy, and Air Force. What are all the exams conducted for officer cadre likewise he has given a lot of eye-opening pieces of information for second-year students. Meanwhile, he explained the opportunities for Engineers in state government jobs. Then, he has given an introduction about some thrust areas in the field of IT. The importance of AWS, PEGA, Salesforce, ERP, SAP & SQL in MNCs.

After the completion of his speech. Few students gave feedback. Student Representative conveyed the vote of thanks.

Post Event Analysis Report

Date: 25-02-2023

Event Title: Alumni interaction Program

Date on which the Event conducted: 25-02-2023

Name & Address of the Organizer(s): PL.Somasundaram. AP/EEE.

Participant Feedback:

No. of Response received: 5 samples collected

Overall rating

1. What did the attendee(s) like about the event?

- They are interested to attend this kind of program.
- They are getting exposure about, what are the opportunities in Global Market now?
- They are eager to ask their doubts related to job opportunities.
- They can get clear idea about job openings for engineers in central government, State Government, and MNCs through this Program.
- Students understand that, how to apply for the jobs through official websites.

2. What could have been improved about the event suggested by the attendee(s)?

- Timing may be increased from one hour to half day.
- More number of programs to be conducted like this.
- Frequency of conduction of Alumni interaction may be useful for them.

Resource Person(s)

1. What did the attendee(s) like about the event?

- He has given some tips to the students how to improve their skills.
- He has given some tips to the students how to maintain physical fitness also.

- He is eager to interact with his juniors.
- He likes to engage this kind session.
- He encouraged the faculty members to conduct this kind of interactive programs.

2. What could have been improved about the event suggested by the resource person(s)?

- As an Alumnus of our institution, he asked the faculty members to increase the frequency of conduction of this kind of events.
- As a stakeholder, he has given some valuable inputs related to job opportunities.
- He shared few official website links to the students to get idea about opportunities for engineers in Government sectors.

Organizers feedback: (5 points)

Event Highlights (What worked well?)

- The students interacted well with the Alumnus.

1. Issues (What problems did the event face?)

- No issues

2. Gap Analysis (Kindly do the analysis based on the feedback received from attendee(s), resource person(s) and the organizer(s))

- Time span of the interaction may be increased from one hour to maximum of two hours.
- Frequency of conduction can be considered to more numbers

Recommendations for Future Events (What didn't work well?)

- Program conduction time may be increased to more hours.

Weakness identified	Recommendations
Event conducted in On line, some network issues for students.	Trying to conduct in off line mode

Challenges identified	Recommendations
Few students repeatedly interacted	We have to Motivate them to ask quires.

with the alumnus, Many of them not even raised their hands for his questions.	
---	--

Opportunities identified	Recommendations
Students got an idea about the job opportunities for engineers in Government sectors. This will be useful for them.

Alumnus Oration on "A Pathway to Excel in IT Industries"

Date: 02.02.2023

Time: 06.00 PM to 07.00 PM

Online Platform: Google Meet- <http://meet.google.com/qcf-nrtw-cjr>

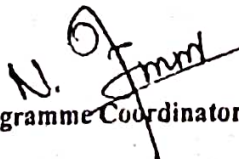

Report

The department of Electrical and Electronics Engineering, M.Kumarasamy College of Engineering, Karur has an Alumnus Oration on "A Pathway to Excel in IT Industries" through online mode on 02.02.2023. There were totally 89 participants joined this alumni interaction program.

Dr.C.Kumar, Professor and Head, Department of Electrical and Electronics Engineering, has welcomed the resource person and also addressed the participants to utilize the wonderful opportunity created by the organizers of the event to equip themselves to have a better career path in Software Engineering field.

The resource person of the event Mr. Gowtham Muthusamy is acting as a Lead Software Engineer at GS lab, Gavs, Chennai, Sholinganallur. His lecture started with an introduction to his career and background. Later, he addressed the students and gave a glimpse into the latest trends and technologies that help the students to mold themselves to become better person in the Information Technology sector. In addition to that, he added few more points regarding the layoff problems which are currently being faced by the employees of the IT sector with an example survey on layoff count in amazon, Google and Meta. To overcome these issues, he advised the students to enrich their skills like problem-solving, collaboration, and continuous learning. Finally, the meeting was concluded with a real-life example about Mr. Sridhar Vembu, Founder, Zoho.

Faculty Coordinators Mr.M.Ramesh and Mr.N.Selvam, Assistant Professor, Department of Electrical and Electronics Engineering made all the arrangements and coordinated the programme.

Participant Feedback:

No. of Response received: 20

Overall rating

1. What did the attendee(s) like about the event?

- He explained clearly about the programming languages what are to be learn for getting placement
- He gave us idea about how to build a perfect and good resume.
- He suggested us to learn html language.
- He taught us how to crack the technical (coding round) and how to prepare for it.
- He insisted us to perform application oriented projects

2. What could have been improved about the event suggested by the attendee(s)?

- It would be better if the program was in offline mode.
- Time duration is expected little bit more since he cannot explain more points
- It would be convenient if more experienced person like him would interact with us.
- Event related to placement (Core and IT) are highly expected by us.

Resource Person(s)

1. What did the attendee(s) like about the event?

- Given the overview of latest technology trends.
- Interview preparation tips.
- Certification details.
- Clarification about MAANG vs Saas
- Shared the interview experience.
- Overview of product based company like Zoho.

2. What could have been improved about the event suggested by the resource person(s)?

- Expecting more questions from attendees.
- Practical sessions will be helpful to learn new things.
- Sessions should be interactive.
- Basic program classes need to be conducted.
- Doing certifications will be very useful to crack the interviews.

Organizers feedback:

Event Highlights :

- Latest trends and technologies that help the students to mold themselves to become better person in the Information Technology sector.
- layoff problems which are currently being faced by the employees of the IT sector with an example survey on layoff count in amazon, Google and Meta
- Real-life example about Mr. Sridhar Vembu, Founder, Zoho.

1. Issues :

Since it is in online mode, some network issues were faced.

2. Gap Analysis :

Recommendations for Future Events

Weakness identified	Recommendations
Interaction could be made better between the students and the resource persons	This kind of sessions can be organized in offline mode to have better interaction.

Challenges identified	Recommendations
Since it is in online mode, some network issues were faced at both the ends.	Offline sessions can be encouraged.

Opportunities identified	Recommendations
Key points related to crack the competitive exams to get a good job at IT sector were discussed.	-

SEMINAR ON "NUANCES OF STOCK & COMMODITY TRADING"

PRESS NOTE

The Department of Management studies, M.Kumarasamy College of Engineering, Karur, organized a seminar on "Nuances of Stock & Commodity Trading" on 30.09.2022. Dr.P.Vanitha, A.HoD – MBA welcomed the gathering. Dr.K.Rajesh Kumar, HoD – MBA delivered the presidential address. Mr.Logeswaran Sakthivel, Alumni & Assistant Manager of Axis bank, Aruvakurichi Branch was the resource person.

This seminar aimed at educating the students about the benefits of commodity market in India and enabling them to understand the concepts and fundamentals of the market as well.

Mr.Logeswaran Sakthivel in his key note address enlightened that unlike other market, people can invest in the commodity market with much more ease. He gave a detailed explanation about the way commodity exchange & stocks work between buyer and seller thereby promoting students to take great interest in investing and trading of commodity market.

Mrs.K.Malar Kodi AP/MBA,MKCE made all the arrangements for conducting this seminar.

**Alumni Interaction Programme on
Career Opportunities in Investment Banking – Competencies and Skill Sets Required
Report**

The Department of Management Studies, M.Kumarasamy College of Engineering, Karur organized an Alumni Interaction Programme entitled “Career Opportunities in Investment Banking – Competencies and Skill sets Required” on 02.06.2023. 56 students from I – MBA actively participated and got benefitted.

Mr. Stalin D, Associate 2, State Street Corporation, Bangalore (2018-2020 batch) highlighted the overview of investment banking. He shared his knowledge about the products (bonds, derivatives, global bank) of investment banking. He talked about his experience as an Investment Banker and how he got placed in this field and guided the students to learn the basics about the investment opportunities provided by banks. He made this session more interactive and informative by sharing his practical experience as an Investment Banker.

Ms. A. Santhiya, Assistant Professor, MBA has made the arrangements for this programme.

Post Event Analysis Report

Event Title: Career Opportunities in Investment Banking – Competencies and Skill sets Required

Date: 05.06.2023

Date on which the Event conducted: 02.06.2023

Name & Address of the Organizer(s): Department of Management Studies

Participant Feedback:

No. of Response received: 56

Overall rating

1. What did the attendee(s) like about the event?

Top likes (5 points)

- Learned about the basics of investment banking.
- Learned more about the products available in banks for investment.
- Very interactive and informative session.
- Aware of how to get an opportunity in investment banking.

2. What could have been improved about the event suggested by the attendee(s)?

Top suggestions (5 points)

- Kindly increase the duration of the programme.
- Please do visit students on a regular interval and share your experience.

Resource Person(s)

1. What did the attendee(s) like about the event?

Top likes (5 points)

- Way the association members greeted.
- Students participation and interaction throughout the session
- Students communicated well and patiently listened throughout the session
- They have a professional way of addressing people.

2. What could have been improved about the event suggested by the resource person(s)?

- Top suggestions (5 points)
- Kindly provide more alumni interaction programmes to the students
- Make students to be aware of the investment products and basic knowledge about that
- Make the students to record the programme by taking notes so that in future they can get some knowledge through this.

Organizers feedback: (5 points)

1. Event highlights (What worked well?)

(Please list the points about the event that you feel were particularly successful.)

- By organizing this event students got a well exposed practical knowledge about career opportunities in Investment Banking
- They came to know about the basics of investment banking and skills required to get job in this field
- They came out with answer for all their doubts

2. Issues (What problems did the event face?)

- Time taken to complete the procedure for organizing this programme

3. Gap Analysis (Kindly do the analysis based on the feedback received from attendees, resource person(s) and the organizer(s))

- Students who attended this programme got benefited by clearing their doubts
- They also gained some ideas about the field experience by interacting with the Alumni
- They got an opportunity to know about the practical knowledge of investment banking which they are going to learn theoretically in the upcoming semester

Recommendations for Future Events (What didn't work well?)

Weakness identified

Making every students to realize the importance of this programme as they are

Recommendations

Will recommend effective use of feedback study for future

not familiar with this topic.

that they will be aware of the contents shared by the programme speaker

Challenges identified

Time taken to organize this programme

Recommendations

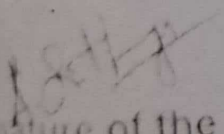

Recommend to cutoff the consuming time

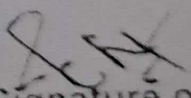

Opportunities identified

They will improve their practical knowledge about investment banking and skill sets they have to develop to get a job in this sector. They will also feel easy to study finance paper in the forthcoming semesters.

Recommendations

Will recommend conducting more Alumni interaction programme related to different domains so that the students can get more contacts who are working in different domains and it will help them to choose their career path as well.

21st April 2023

**Alumni Interaction Programme on
"How to Crack the Government Exams"
Report**

The Department of Management Studies, M.Kumarasamy College of Engineering, Karur organized an alumni interaction programme entitled "How to Crack Government Exams" on 21.04.2023. 53 students actively participated and got benefitted.

Mrs. S. Dhivya, Postal Assistant, Karur Head Post Office, Karur (2007-2009 batch alumni) highlighted about the importance of getting placed in a Government Job. She discussed about her own experience in the government field. She shared many of her knowledge about the postal department in detail. She motivated students to clear the exams and to get a permanent job. Students became aware of the job security available in the government sector.

Ms. A. Santhiya, Assistant Professor, MBA has made the arrangements for this programme.

Post Event Analysis Report

Date: 21.04.2023

Event Title: How to crack the Government Exams

Date on which the Event conducted: 21.04.2023

Name & Address of the Organizer(s): Department of Management Studies

Participant Feedback:

No. of Response received: 53

Overall rating

1. What did the attendee(s) like about the event?

Top likes (5 points)

- Got more information about the Government Sector and how can we have a career growth in that sector.
- Very good suggestion given by the alumni.
- Very informative and useful for us.

2. What could have been improved about the event suggested by the attendee(s)?

Top suggestions (5 points)

- Kindly increase the duration of the program.
- Make the alumni to share their interview process and how they cleared it.
- Make a presentation for an effective learning.

Resource Person(s)

1. What did the attendee(s) like about the event?

Top likes (5 points)

- Way the association members greeted.
- Student's participation and interaction throughout the session.
- Only some students are interested to clear government exams, but they are focused.

2. What could have been improved about the event suggested by the resource person(s)?

Top suggestions (5 points)

- Guide the students to develop their knowledge on current affairs.
- Make the students to share general knowledge on daily basis.
- Students are not aware of what is happening in the government.
- Many of the students want to get placed in a private sector. Suggest the students to prepare for the competitive exams and get placed in a government sector.

Organizers feedback: (5 points)

Event Highlights (What worked well?)

(Please list the points about the event that you feel were particularly successful.)

- By organizing this event students got a different experience as this was the first program related to Government sector.
- They came out with answer for their doubts related to government exams.
- This program has shown them the importance of having a secured job.

1. Issues (What problems did the event face?)

- Time taken to complete the procedure for organizing this program.
- There is no presentation from the alumni, so students felt difficult to listen.
- Only an oral communication from the alumni.

2. Gap Analysis (Kindly do the analysis based on the feedback received from attendee(s), resource person(s) and the organizer(s))

- By attending this program some students got benefited by attending a different field interaction program.
- Some students were not able to get their chance to ask doubts.
- They also gained some ideas about the field experience in Postal department by interacting with the Alumni.

Recommendations for Future Events (What didn't work well?)

Weakness identified	Recommendations
Program duration should be discussed	Should intimate the duration with the

before the program starts.
They have to communicate with students by displaying the PPT

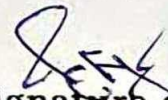

alumni prior.
Should intimate the alumni to prepare PPT for effective interaction.

Challenges identified	Recommendations
Time taken to organize this program	Recommend to cutoff the consuming time.

Opportunities identified	Recommendations
After this program students will have an idea about a government job.	Will recommend sharing their experience through the presentation method. Will recommend conducting more Alumni interaction program with the recent alumni so that they will have updated information about the interview process of their organization.

Post Event Analysis Report

Event Title: Recent Trends in HR

Date: 25.02.2023

Date on which the Event conducted: 25.02.2023

Name & Address of the Organizer(s): Department of Management Studies

Participant Feedback:

No. of Response received: 58

Overall rating

1. What did the attendee(s) like about the event?

Top likes (5 points)

- Learned how the human resource department works in an organization.
- Learned more about the recruitment process of HR department.
- Very interactive and informative session.
- Aware of how to communicate with the candidates during interview time.
- Learnt some basic ideas about the Payroll calculations.

2. What could have been improved about the event suggested by the attendee(s)?

Top suggestions (5 points)

- Increase the duration of the timing for the upcoming events.
- Please do visit students on a regular interval and share your experience.

Resource Person(s)

1. What did the attendee(s) like about the event?

Top likes (5 points)

- Way the association members greeted.
- Students participation and interaction throughout the session

- After the completion of this programme they got an idea how to develop themselves and how to answer the questions raised by an interviewer.

Recommendations for Future Events (What didn't work well?)

Weakness identified	Recommendations
Making every students to realize the importance of this programme	Will recommend to collect the programme feedback orally from alternative students. So that they will be aware of the contents shared by the programme speaker

Challenges identified	Recommendations
Time taken to organize this programme	Recommend to cutoff the consuming time

Opportunities identified	Recommendations
It will improve their practical knowledge about recruitment process in HR and to develop a required communication and screening skills to become a HR Recruiter. They will also feel easy to study different HR papers in the forthcoming semesters.	Will recommend to conduct more Alumni interaction program related to HR as students can get more contacts who are working as a HR and it will be more helpful for them to connect with them in future.

- Kindly increase the duration of the programme.
- Please do visit students on a regular interval and share your experience.

Resource Person(s)

1. What did the attendee(s) like about the event?

Top likes (5 points)

- Way the association members greeted.
- Students participation and interaction throughout the session
- Students communicated well and patiently listened throughout the session
- They have a professional way of addressing people.

2. What could have been improved about the event suggested by the resource person(s)?

Top suggestions (5 points)

- Kindly provide more alumni interaction programmes to the students
- Make the students to record the programme by taking notes so that in future they can get some knowledge through this.
- Students have to set their professional social media profile which helps them to have many professional contacts.

Organizers feedback: (5 points)

Event Highlights (What worked well?)

(Please list the points about the event that you feel were particularly successful.)

- By organizing this event students got a well exposed practical knowledge and different career paths available in HR.
- They came to know about the Professional social media available and how to connect with it.
- They came out with answer for all their doubts related to HR.

1. Issues (What problems did the event face?)

- Time taken to complete the procedure for organizing this programme.

2. Gap Analysis (Kindly do the analysis based on the feedback received from attendee(s), resource person(s) and the organizer(s))

- Students who attended this programme got benefited by clearing their doubts related to HR domain.
- They also gained some ideas about the field experience by interacting with the Alumni

- After this programme they also have an idea to do their intern in HR domain

Recommendations for Future Events (What didn't work well?)

Weakness identified	Recommendations
Making every students to realize the importance of this programme	Will recommend to collect the programme feedback orally from alternative students So that they will be aware of the contents shared by the programme speaker

Challenges identified

Time taken to organize this programme

Recommendations

Recommendation of time taken to organize this time

Opportunities identified

It will improve their practical knowledge about HR and to develop a required managing and technical skills to become a HR. They will also feel easy to study different HR papers in the forthcoming semesters.

Recommendations

Will be better to conduct more Alumni interaction programme related to HR as students can get more contacts who are working as a HR and it will be more helpful for them to connect with them in future.
